

KIDLINGTON RUNNING & ATHLETIC CLUB

Code of Conduct

The club will adhere to the principles and guidelines set by UK Athletics at a level appropriate to the size and nature of the Club's membership at any given time. The Hon Secretary will bring an assessment of the Club's needs to the Committee on an annual basis (or as may be required between such reviews) and this will be reported to the AGM.

As a responsible club we will:

- Ensure that club officers and volunteers always act responsibly and set an example to others
- Respect the rights, dignity and worth of every club member and others involved in athletics and treat everyone equally
- Consistently promote positive aspects of the sport such as fair play and never condone rule violations or the use of prohibited or age-inappropriate substances
- Challenge inappropriate behaviour and language by others
- Place the welfare and safety of the athlete above other considerations including the development of performance
